JOE WARD

E D I C A T I O N

Joe Ward was born in San Jose, but grew up in Santa Clara when it was still mainly orchards and country roads. He attended all Santa Clara schools and was in the first Wilcox graduating class in 1964. While at Wilcox, Mr. Ward played on the football and baseball teams. He even hit the first homerun out of Wilcox's baseball field!

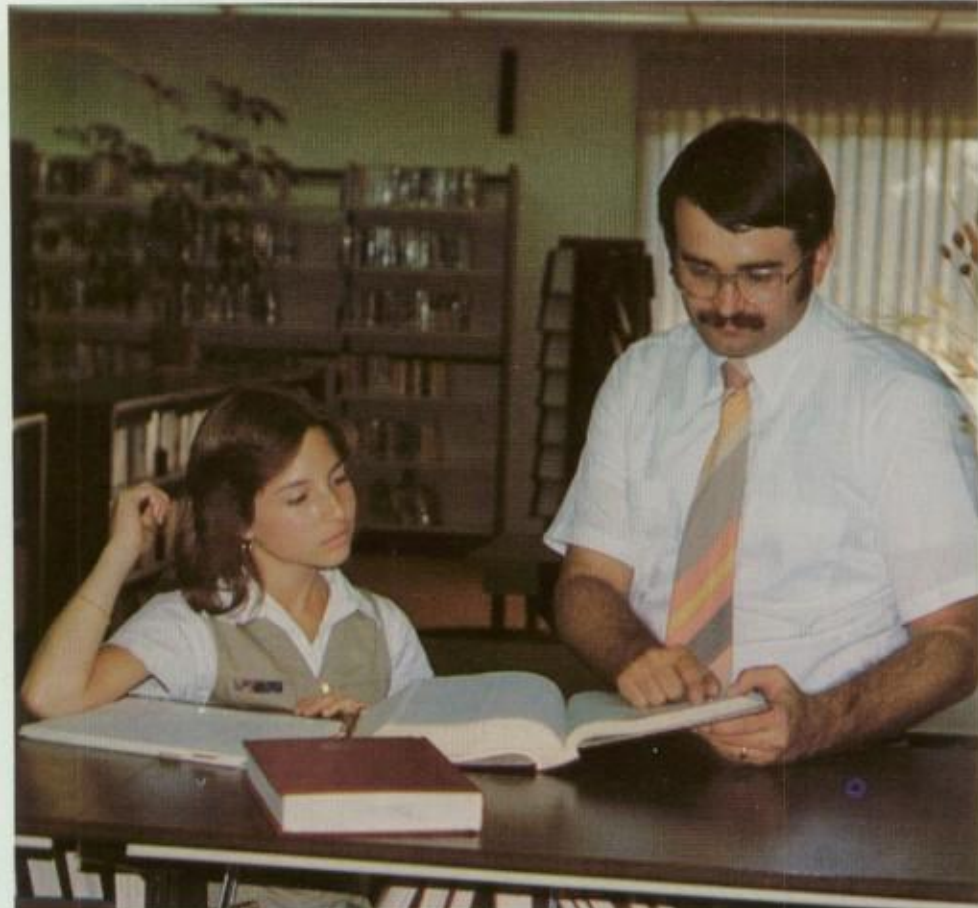

After attending San Jose State University, he graduated in history, English and economics. Currently he is getting his master's degree in Library Science. While at SJSU, he played on the baseball team and was in the marching band.

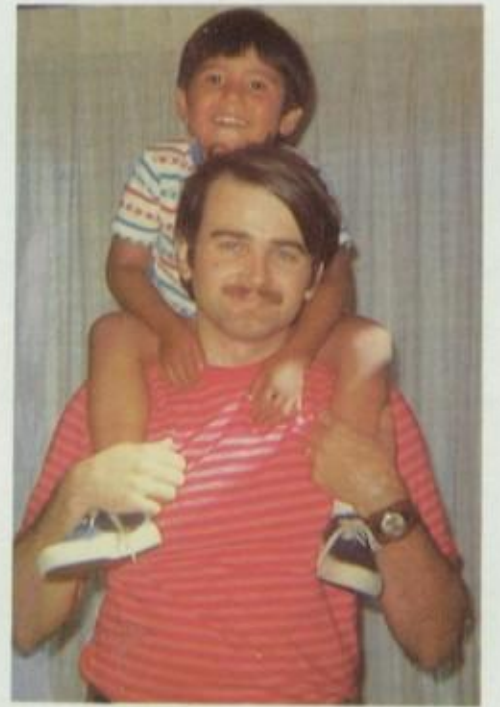

Mr. Ward joined the staff at Wilcox in September of 1969. He taught English, history, and behavioral science before becoming the Librarian in September of 1977. He is working to improve the book collection and to develop the film and video tape program. He is also setting up a computer system to be used by the students and by the library.

Some of Mr. Ward's hobbies are racquetball, golf and making 16mm films. He also enjoys spending his spare time with his wife, Pam, and foster son, Bobby.

At his ten year reunion, Mr. Ward was asked his aspirations in life. He said, "to grow spiritually, to constantly improve my teaching, to have children, and to continue to deepen my relationship with my wife."

Thank you, Mr. Ward, for dedicating your time to us!

HOMECOMING

FOOTBALL

This year's HOMECOMING was kicked off Thursday night at the rally. The girls in Rally Council did an excellent job putting the theme "Football Fever-Catch It" across to the crowd.

All the nominees and their escorts—Carol DiBenedetto escorted by Tim Makela, Shari Haff escorted by Brian Gregg, Jacki Hendy escorted by Kevin Doherty, Sharon Kauffman escorted by Jim Halbleib, and Caroline Sepulveda escorted by David Garcia—waited anxiously for the outcome of the day's voting.

The class competition of scarfing down a Togo's sandwich was won (naturally) by the SENIORS. The Letter-girls showed their stuff by doing a routine to "You Should Be Dancing" by the Bee Gees. This year we had something a little different—Rally Council got into it with a routine to "Get Off" by Foxy. Complete with black top hats and white gloves, the Songgirls performed to Hearts "Kick It Out". Our Varsity and Frosh-Soph cheerleaders did a beautiful job doing victory cheers for their teams. Special thanks to Vicki Manning for bringing Russell, Ann, & Virginia Mattos to dance at our rally. Coach Louderback spoke about his team's hopeful victory the following evening over the Buchser Bruins. Mike Wells and Victor Flores (the team captains) also gave a few words of encouragement to their fellow teammates.

As the end of the rally grew near, the crowd became rowdy. Bringing this evening to a perfect close, the moment everyone had been waiting for, was the crowning of our Queen, Jackie Hendy.

This year's sports' banquet was new. It was the first time in Wilcox's history that the girls and the boys sports' banquets had been together. The most valuable and most improved players of all teams were acknowledged and presented trophies. Congratulations to all!

NEW YEARS ASSEMBLY!!!

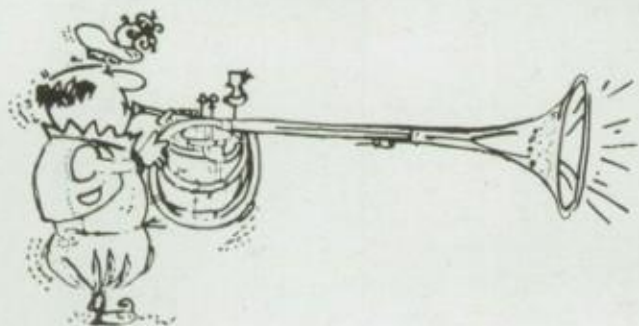

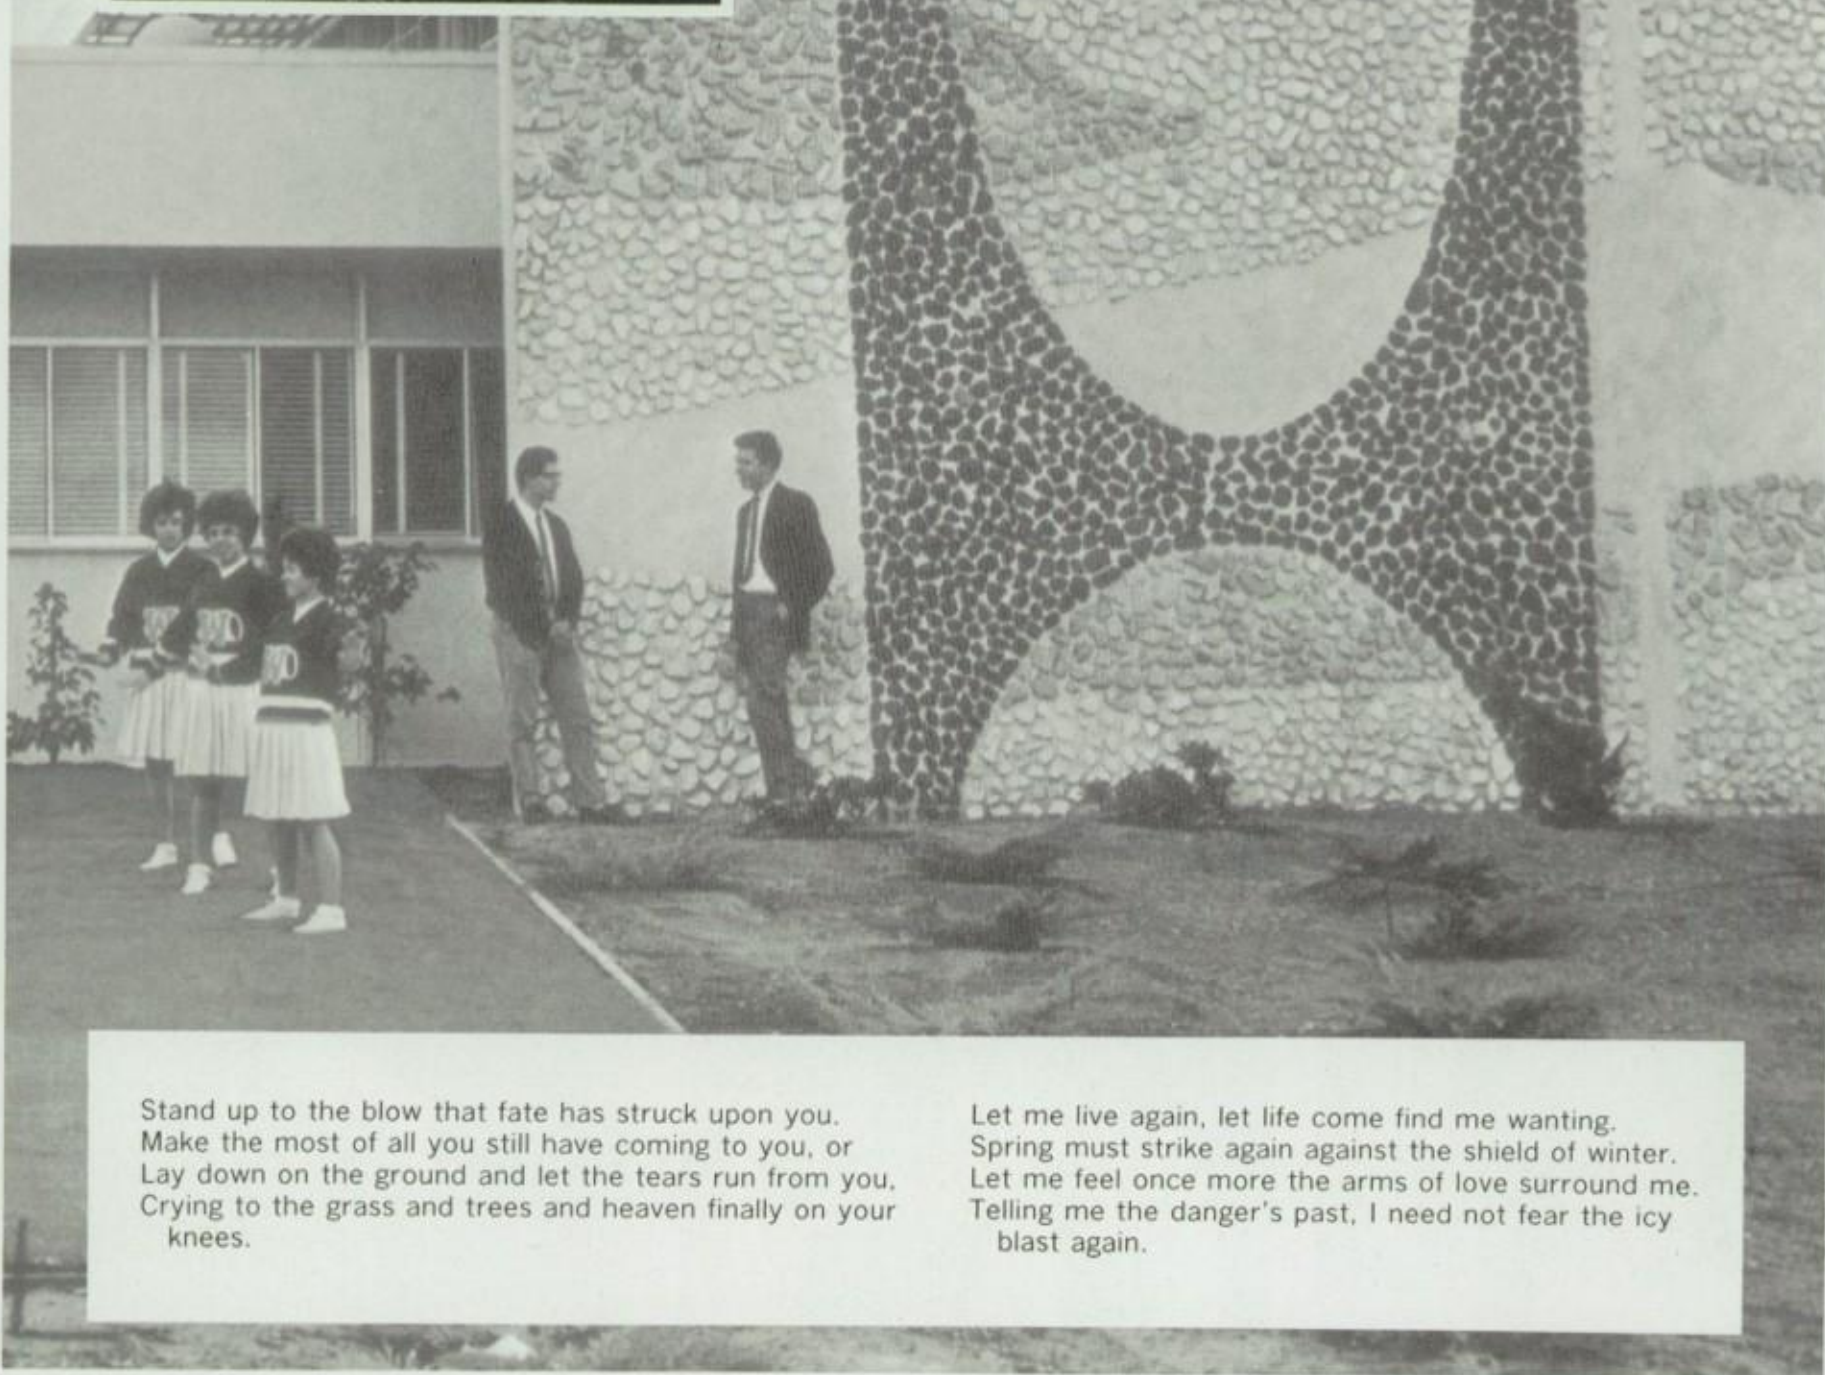

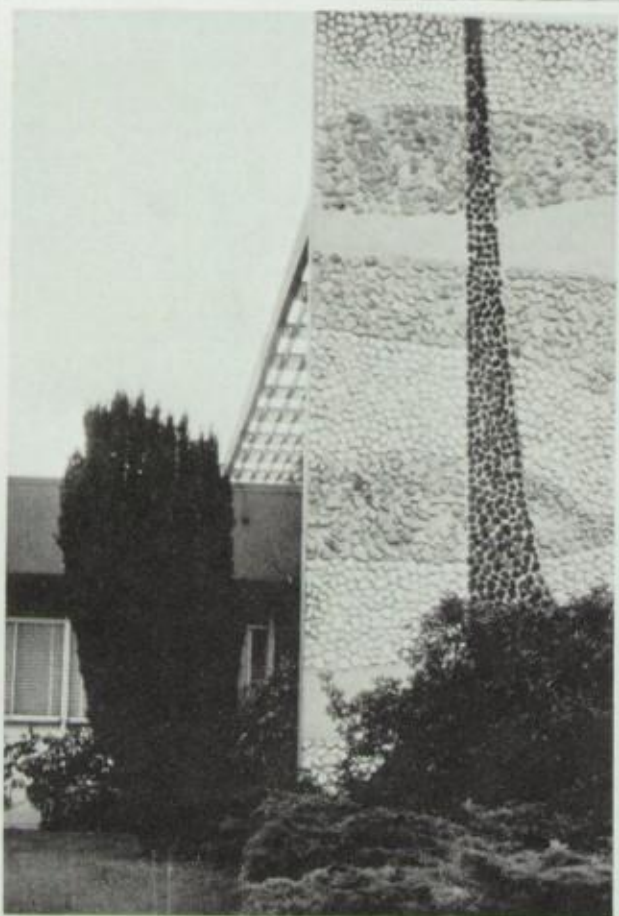

MARK McCOLLUM: 27 year old singer, comic, guitarist, impersonator and a philosopher with a positive outlook and attitude on life.

McCollum's humorous versions of songs by many modern singers and groups caught the eye of his audience. Even more outstanding are his **exact** replicas of Popeye, Olive Oil, Elmer Fudd, and creatures from the Wizard of Oz; including the Munchkins, the Cowardly Lion, and the Wicked Witch of the West.

He recently won first place in the 1978 San Francisco Stand-up Comedy Competition and was seen by millions of the famous H.B.O.

The New Year's Assembly began the year 1979 with laughter and happiness, along with a good outlook on life. Hopefully 1979 will bring joy and goodness to all-a lot of thanks to MARK McCOLLUM!!!

Stand up to the blow that fate has struck upon you.
Make the most of all you still have coming to you, or
Lay down on the ground and let the tears run from you,
Crying to the grass and trees and heaven finally on your
knees.

Let me live again, let life come find me wanting.
Spring must strike again against the shield of winter.
Let me feel once more the arms of love surround me.
Telling me the danger's past, I need not fear the icy
blast again.

This year's Sadie Hawkins was held on March 23rd from 8:00 p.m. to 11:00p.m. The couples danced to the music by "White Satin" and were married by the marrin' Sam, who was in reality, Mr. Hatling. Pictures were taken, and fun was had by all. The Sophomore class was in charge and did a good job. There was a lot of hay and a lot of smiles. Everyone seemed to have a good time.

The big winners: Halbleib, Pratten, and Petty

This year's annual Pancake Breakfast was held on March 18th. Every year the "Dads and Grads" sponsor this reunion breakfast to raise money for various activities within the school. Their goal was to graise \$2000, and they made that and more. This year's money will go towards the fee for the athletes to participate in sports.

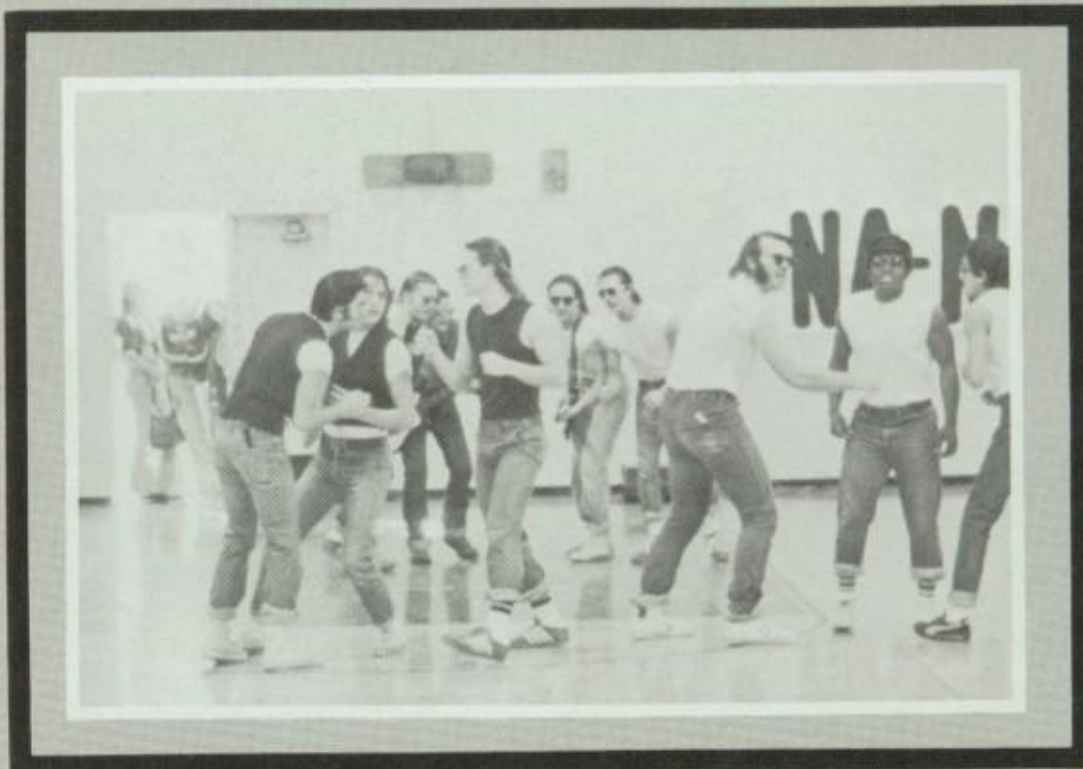

Many thanks to the Student Council and others for helping at the breakfast (including the teachers), and also to all businesses who donated prizes or money. Congratulation to Ted Pratten for selling the most tickets and Dan Petty and Jim Halbleib for coming in a close second and third.

GREASE IS THE WORD . . .

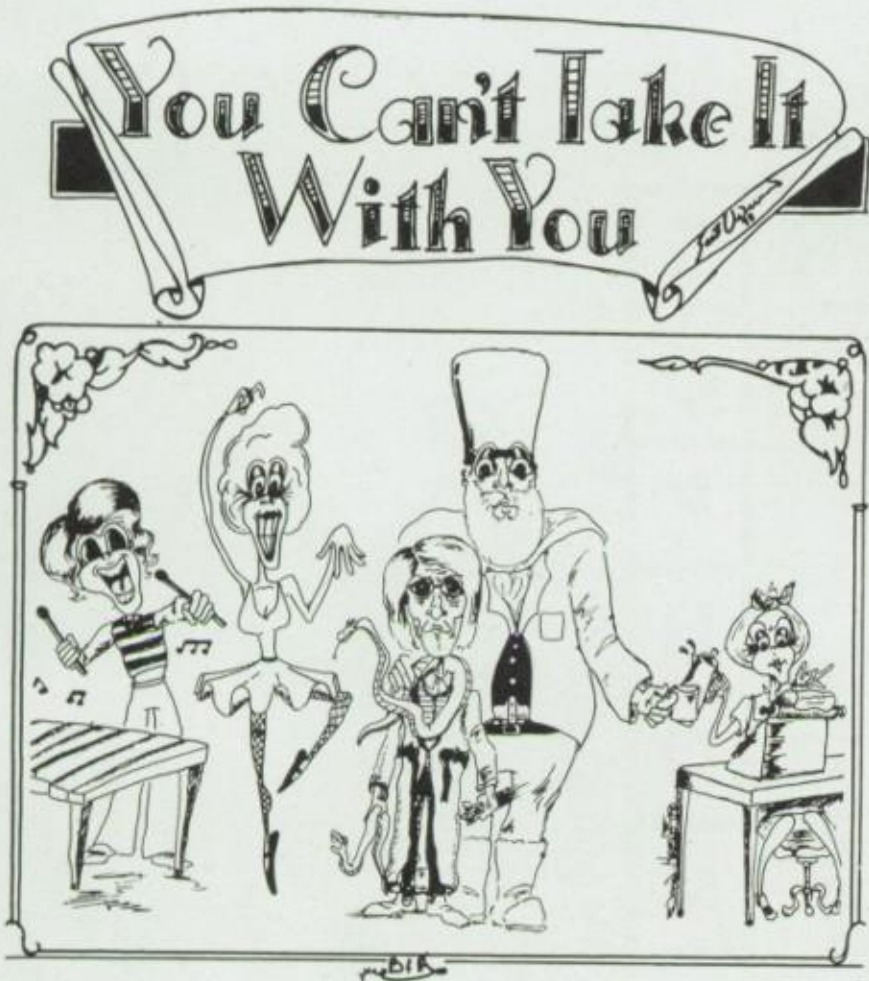

This year's 50's Rally was a great success. To add something a little different, Rally Council honored the Wrestling and Soccer teams. The players were escorted to their seats while Rally Council did "The Stroll". Coach Hatling and Coach Perry both put in a good word for their teams.

The Frosh/Soph Varsity Cheerleaders and Lettergirls all did victory cheers for the teams. The songgirls danced to "Jump Shout Boogie." But the hit of the rally was the Special Guest appearance by Wilcox's own Na Na Sha. They twisted, jammed and sang to "Rock and Roll is here to stay!" Special Thanks to Na Na Sha: Jody Lansford, Bill Cress, Rick Gibbs, Barth Nelson, Mike Wells, Ted Pratten, Eddie Arellano, Chuck Payton, Paul Wasiewlewski, and Todd Sodaro.

DRAMA CLASS

The Drama Class is proud to present its first production of the school year, "You Can't Take It With You". The drama students, who meet during the sixth period of the day, have spent many hours both during class and after school in preparation for this performance. The play was a big success. Friday Night was standing room only. Congratulations to the performers. Hope your next play is as good. The man responsible for putting all of this together is Mr. Smallwood. Many Thanks!!

In Memoriam

When words fail, only facts remain.

Ed Hohman died on April 1 in a tragic accident at his home. Ed was an A student and won many awards and honors. He won the Bank of America award for Science and Mathematics. He was

voted most likely to succeed. He belonged to the Library Club and was president of both the German Club and C.S.F. He was involved in many activities, and will be greatly missed. Let us hope Ed has found the excellence he sought, and remember him with love.

The people involved in administration work very hard. They deal with all the problems of the school and are trying to make Wilcox number one. Any type of activity must be approved by them. In the ordinary, every day routine, they are constantly busy. The different adminis-

trators have different jobs, ranging from organizing dances and assemblies to handling the student in trouble or the student who is making the trouble. We owe a lot to these people. They really help more than anyone because they have to keep everyone happy.

YEARBOOK STAFF

In order to be accepted on the yearbook staff, students try out by completing an application form, a double page layout, and copy. They are also interviewed by myself and the staff. The top achievers are selected and sent an acceptance letter.

The yearbook class is an English elective. Students learn to do layouts, type copy, take pictures and develop them. Everyone is required to sell advertising to supplement our budget. Because deadlines are so vital, responsibility is necessary on the part of each person.

This year the staff sold candy for our end-of-the-

year trip, went to Monterey for our yearbook picture, and had our annual dinner at Mrs. Garner's.

Hopefully, throughout the year, we have all learned from each other. Our mutual pride in and dedication to this yearbook project has deepened our feelings for Wilcox High.

I'd like to personally congratulate each member on my staff for an exceptional job. Thanks for all your work and fun personalities.

A group of thirteen individuals work diligently for the betterment of the school and for the students. They plan activities for the enjoyment of the school. Each year Student Council puts on all the events of Homecoming: Rally, parade, game and dance. They try to have three assemblies a year at the beginning of school, a Christmas one, and one at the close of school.

These few people have to keep peace between the students, faculty and the administration. One problem they conquered was the litter problem. All turned out to help.

Each person has their own jobs and carries them out successfully. The President has to keep things organized and everyone working. The V.P. is President of R.A., is a member of I.S.C. and substitutes for the President when needed. The Secretary takes minutes and helps communications with everyone. The Treasurer keeps all money accounts. Then there are the commissioners who do everything else such as the sports' banquets, activities, elections, etc.

Much, if not all, of their work goes unseen, but in our eyes we feel student council has done a very good job. Thank you for all your hard work and extra time.

GAA

The girls that join G.A.A. are the ones who are interested in the Interscholastic Sports Program and who go out for the after school sports teams. The sports that they compete in are swimming, volleyball, tennis, basketball, softball, and track. They compete against Palo Alto, Cubberly, Gunn, Los Altos, Awalt, Mountain View, St. Francis, Mitty, Peterson, Buchser, and Santa Clara High Schools. They travel to these schools to compete and win!

The girls play at the games and earn blocks. The staff is having the girls and the guys (Letterman's Club) wear sweaters to put the blocks on. This is the first year that they are combining the girls and the guys at the Sports Awards Banquets.

They are also introducing the staff and the community to an Open House for our new gym. They raise funds for uniforms by selling candy around Easter time.

LETTERMAN'S CLUB

Advisor: Mr. Buchser

The purpose of the Letterman's Club is to promote good fellowship, to create active interest and spirit in the high school program, and to foster social and civic responsibility.

They do many services for the school and the community. They work in the snack bar at our football games and for Mission City Gridiron. They have contributed their time to work the lingua booth for the P.T.A., and they provide the programs for the football and basketball games. For our school's entertainment, the Letterman's Club sponsors the Powder Puff game and the Donkey Basketball game. They are also providing a wonderful christmas tree and all the decorations for a convalescent hospital.

For fund raising activities, the Letterman's Club is responsible for the famous Bar-B-Que Linguisa Sandwich Booth which brings the money rolling in because of its popularity. They use it for the football games and a lot of other community activities. They sell the programs at the football games and basketball games. They sell candles from 'Candles By Helene' which was a big success and a big money maker. They also make money by sponsoring the Powder Puff and Donkey Basketball games.

This year they will be making over \$2,000 which will go for their activities. They like to do a variety of things such as beach campouts, overnight snow trips, Four-day trips with camping and trout fishing, deep-sea fishing, and going to the Sierra Nevada Mountains. They are a very active club, and we owe a lot to them for contributing so much to our school. They are a super group of guys, and they will not be forgotten.

The main job of the journalism class is to put out the school newspaper, **War Chants**. The job is not all work, however. The class has several opportunities throughout the year to participate in activities for high school journalism students. There are press conferences for

students, sponsored by businesses in the area featuring interviews with business leaders, and once or twice a year with important government officials. Each year the University of San Francisco sponsors a high school journalism day which offers workshops and lunch to students in the

area. Also, Marriott's Great America has a journalism day when students are invited to attend a brief workshop and then enjoy a day at Great America. This year two students attended a workshop and news conference at the Winchester Mystery House.

The Rally Council of Wilcox High consists of Songgirls, Lettergirls, Varsity and Soph-Frosh Cheerleaders and members of rally from each class. Being a member of rally council is an honor to some people, and many girls (or boys) try out for each position. Each group has different responsibilities, yet they all do a pretty good job in what they do. Part of their job is to help student council put on the sports banquets, and they also put on rallies to encourage student attendance at different sports games, besides attending as many as possible themselves. They put lots of time into their jobs, including attending spirit camp in the summer and also other clinics to prepare for the coming school year. Thanks!

You may look at this team's win-loss record and conclude this was not a very good year for us, but on the contrary, working with the individuals composing the Frosh-Soph team was very enjoyable. Every member of this team exhibited a quality that is most admirable -determination! When it would have been easy to "throw in the towel", these people played and practiced that much harder. I hope they keep this quality in every endeavor. It was a pleasure to be associated with these gentlemen. Those people who did a particularly good job were Brian Sherrell (MVP & ALL LEAGUE), Danny Vallotton (ALL LEAGUE), Tom Tanquary, Mike Asevedo, Frank Payton And Chris DeSilva.

Our varsity basketball team had one thing in common this year—we all loved to play basketball, and we played with a feeling of team pride.

We were fortunate to have the leadership of senior captain, Tim Makela, who set the example of hard work and unselfishness.

Our highlights were beating Buchser twice, upsetting Awalt and taking a consolation trophy in our 1st tournament at Gunderson.

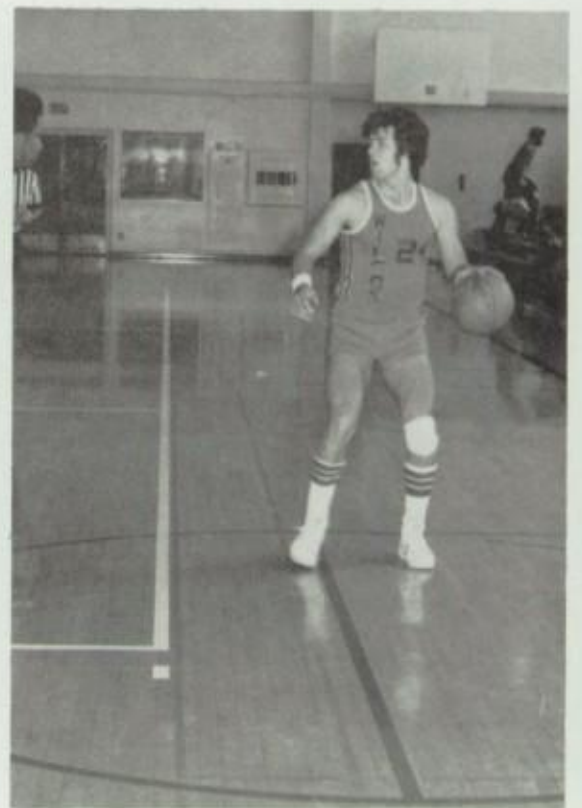

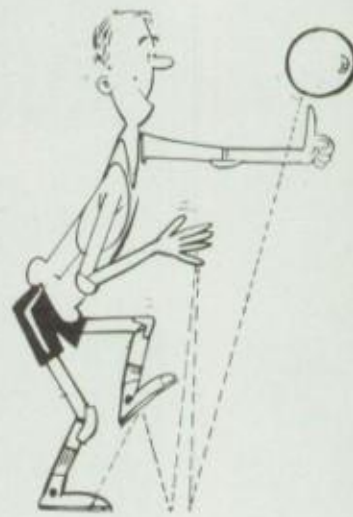

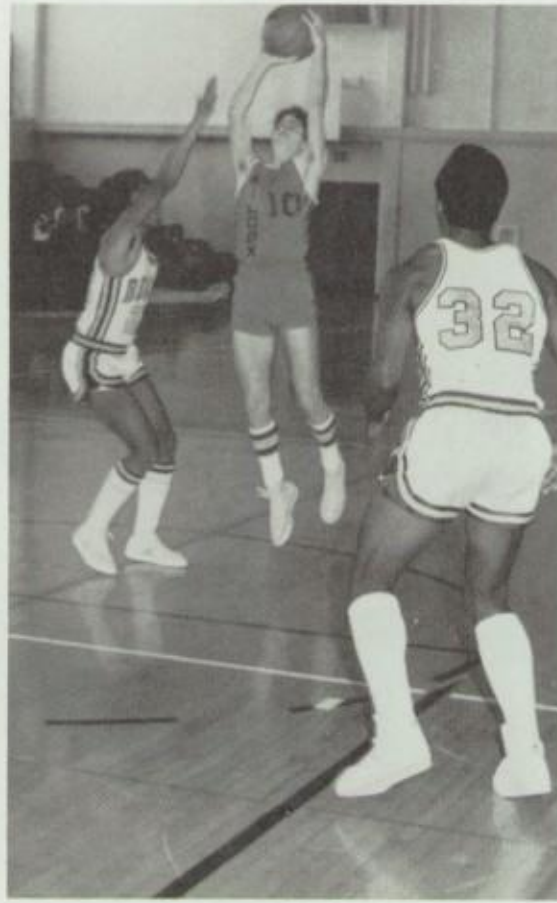

It was a pleasure to coach this team.

For ice cream that is sweet,
In a place that is neat,
Try Sally's Invitation and floats,
Or Fudge Anana Split boats.

Our freshly made ice cream,
Indeed tastes like a dream,
Either scooped or on a cone,
Or eaten at home.

So stop by real soon,
And we'll give you a spoon,
To try a new flavor,
With taste you can savor.

I don't understand
This feeling deep inside
But when your eyes meet mine
And you say those words
I know it's something
I can't hide

You make me want you
Yet, your love I still haven't won
But you can't turn back time
And stop what life has
Already begun

I wish you could read my mind
And Know how much I care
Then you could see
What's really in my heart
All the love
I want so much to share

I dedicate this poem to Ken ...
"KIWALY" LOVE YOU ALWAYS, ANNETTE

ONE BIG

I would like to extend my sincerest gratitude and thanks to all the members of this year's PROMETHEAN STAFF: Tim Archer, Brian Argo, Ginger Adkins, Karen Crawford, Linda Drake, Carrie Lillie, Greg Paulson, Mark Rabe, Darleen Schweitzer, Gary Smith, Stacey Stevens, and a special big THANK YOU to Mr. J. Garner, our advisor, for all her help - for without her this book would not be completed or correct. I would also like to thank Western School Portraits for our photography, and J.R. Myers, our American Yearbook representative.

A lot of work goes in to designing a yearbook, and everyone should realize the task these people undergo. I will never be able to recall the numbers of times we had to stay after school to work, but that really didn't matter because we were all willing.

Our theme this year for the Yearbook was PARTICIPATION, and we all feel that that one word sums up all activities, sports, clubs and anything dealing with WILCOX. It is sad to think that some people don't participate in anything, and even sadder to think that we have to lose those people who do participate so much.

We leave this yearbook to all of you, but especially to the SENIORS because this is the last yearbook to remind them of their high school days. They will graduate and move on, but we hope all these activities will be remembered: the people, places, and events of 1978-1979 (THE LAST OF THE 70'S)!!!

Theresa Rabe,
Editor-In-Chief
